

Bharati Vidyapeeth University

BVP CET Exam Pattern

- The online computer-based entrance test M-EYECET for admission to the M.Optomety Programme.
- This entrance exam shall be for 50 marks.
- The M-EYECET will consist of only one question paper.
- The subjects are physics, chemistry, and biology.
- The exam will contain 25 multiple choice objective-type questions.
- The question paper will be in English.
- each question weighs one mark with four alternatives, with only one correct or most appropriate answer.
- There is no negative marking for wrong answers.

Mode of Conduct of CBT

The entrance test will be conducted based on two modes:

- Computer center-based online test (CBT) – wherein the candidates have to appear for the test at a designated test center in the city provided/ preferred or allotted.
- Remote Proctored Home-based online test (RPHBT) – where the candidates have to appear for the online test from their home location provided they have the minimum hardware and software requirement.

BVP CET Syllabus

General Physics

- Newton's laws of motion.
- Mass, force, and weight (Mass versus weight)
- Momentum and conservation of energy.
- Gravity, theories of gravity.
- Energy, work, and their relationship.
- Motion, position, and energy.

General Biology

- Photosynthesis

Bharati Vidyapeeth University

- Carbon Cycle
- Nitrogen Cycle
- Difference Between Mitosis And Meiosis
- Flora And Fauna
- Human Digestive System
- Human Heart
- Sense Organs

General Chemistry

- Acids, Bases, and pH. Anchalee Phanmaha / Getty Images
- Atomic Structure
- Electrochemistry
- Units and Measurement
- Thermochemistry
- Chemical Bonding
- Periodic Table
- Equations and Stoichiometry
