[Total Questions : 100]  
Time Allowed : 90 Minutes]

**INSTRUCTIONS**

1. The candidate shall **NOT** open this booklet till the time he/she is told to do so by the Invigilation Staff. However, in the meantime, the candidate can read these instructions carefully and subsequently fill the appropriate columns given above in **CAPITAL** letters. The candidate may also fill the relevant columns (other than the columns related to marking responses to the questions) of the Optical Mark Reader (**OMR**) response sheet, supplied separately.
2. Use only **BLUE OR BLACK** ball point pen to fill the relevant columns on this page. Use of fountain pen may leave smudges, which may make the information given by the candidate here illegible.
3. The candidate shall be liable for any adverse effect if the information given above is wrong or illegible.
4. Before attempting the paper, the candidate must fill all the columns given above on this page and sign at the appropriate place.
5. Each candidate is required to attempt 100 questions in 90 minutes, except for orthopaedically/visually impaired candidates, who would be given 30 extra minutes, by marking correct responses on the **OMR** sheet which would be supplied separately to the candidates.
6. **The candidate must write the following on the OMR sheet :**
  - (a) **Serial number of OMR sheet supplied to him/her for marking the responses to the questions.**
  - (b) **Serial number of the question booklet.**
  - (c) **Series of the question booklet. Failure to do so may lead to cancellation of candidature or any other action which the Commission may deem fit.**
7. The candidate should darken the appropriate response to the question by completely darkening the appropriate circle/oval according to his/her choice of response i.e. a, b, c or d in the manner shown in the example below :
 

a
b
c
d
8. Partly darkening the circle/oval on the **OMR** response sheet or using other symbols such as tick mark or cross would not result in evaluation of the response as the **OMR** scanner can only interpret the answers by reading the darkened responses in the manner explained in preceding paragraph. Darkening more than one circle/oval as response to a question shall also be considered as wrong answer. The candidates are advised not to erase any marked answer on the OMR sheet as it may lead to double reading of the answer by the scanner.
9. The candidates shall ensure that the responses are marked in correct manner and any adverse impact due to wrong marking of responses would be the responsibility of the respective candidate. The following are some of the **examples of wrong marking** of responses on the **OMR** response sheet :
10. **The candidates, when allowed to open the question paper booklet, must check the booklet to confirm that the booklet has complete number of pages, the pages are printed correctly and there are no blank pages. In case there is any such error in the question paper booklet the candidate should immediately bring this fact to the notice of the Invigilation Staff and obtain a booklet of the same series as given earlier.**
11. The serial number of the new booklet should be entered in the relevant column of the **OMR** sheet. The Invigilation Staff must make necessary corrections in their record regarding the change in the serial no. of question booklet.
12. The question paper booklet has **20** pages.
13. Each question shall carry **1.5 (one & half)** marks.
14. There are four options for each question and the candidate has to mark the **MOST APPROPRIATE** answer on the OMR response sheet using blue or black ball point pen.
15. There is no negative marking for wrong answers or questions not attempted by the candidate.
