

**Syllabus and Marking Scheme for Bachelor of Design
MAH-B Design CET 2023**

Contents:

MAH - B Design CET is the test devised to check the inclination and aptitude of the students for their keen observations, analytical ability, creative thinking ability, visualization & hand skills. Designers being interested in various aspect of life should be aware of the things happening around them in various spheres like nature-humanity-technology development. Looking at the things without biases, questioning the status quo, enables designers to think in a different way and bring new perspective towards the solution.

Entrance examination paper will have questions broadly but not limited to the topics mentioned in the two tables below. The test is divided into 2 main parts with total duration of 3 hours.

1. PART A is MCQ based questions, for duration of 90 minutes.
2. PART B is sketching skill based & problem-solving ability, for duration of 90 minutes.

	PART A (Duration: 90 mins)	Question types	No. of Questions	Marks/Question	Marks
1	General knowledge/awareness: General knowledge and current affairs	MCQs	20	1	20
